After a fight at a power plant, Ben notices that something strange is happening to the omnitrix, but he doesn't tell anyone. Tedras arrives and tells them that the omnitrix emits self-destruction. Thetrax and Ben go to find the creator of the omnitrix to determine the omnitrix before destroying himself and the universe with him. Gwen's getting up to help her cousin. Copyright 2020 © 2020 ww2.9movies.yt. All rights saved Edit Learn more Edit this movie marks the first appearance of Azmuth. Read more » Amut: I'm still not sure the universe is worth saving, but as I think about it... [disables the Self-Destruct Omnitrix] See more » The DVD edition with the season 4 episodes has 4 different versions of the film. Original, trivia, blue and gold versions. Some differences: the original version: HeatBlast is a character ben uses in the nuclear power plant. Blue: uses XLR8. He's using the eye man.
